Students in Grades 8-12 Feted at CMS Banquet

CENTRAL - More than 70 Central students from the 8th to the 12th grades were honored for their academic achievements during the 2nd Annual Central Academic Excellence Banquet.

The event, which included parents and school administrators, was held on the evening of May 4 in the courtyard of Central Middle School. Keynote speaker Scott Richard, executive director of the Louisiana School Boards Association, praised the progress of the Central Community School System, which is now the No. 3-rated school system in the state. He challenged students to aim for the stars and not settle for mediocrity.

Students were recognized for having the highest grade point average in their class, top scores on ACT, LEAP, and SCORE testing, or being named one of the outstanding students in their school.

Asst. Supt. Sandy Davis read each student's accomplishments, while Supt. Mike Faulk presented certificates and academic medallions to each of the award winners. A special deal was prepared by the cafeteria staff.
